SJ-G/Hシリーズ用定期整備キットのラインナップを追加しましたので、お知らせいたします。
既存キットは運転時間別の設定でしたが、新しいキットは部位別に設定しております。
既存キットでは取扱いのなかった、ギヤポンプやバルブ類の部品も追加しました。
詳細は別紙をご参照ください。

We would like to inform you that we have added a new lineup of overhaul kits for the SJ-G/H series.
While the existing kits were set based on operating hours, the new kits are set by component type.
Additionally, parts such as gear pumps and valves, which were not included in the existing kits, have been added.
Please refer to appendix.

New kits

Bowl parts kit / Vertical shaft parts kit / Horizontal shaft parts kit / Water supply device parts kit
Gear pump kit / Frame parts kit / Air filter parts kit
Valve parts kit (Air /water solenoid valve, Feed valve, Reducing valve)

バイオ燃料対応Oリングキット販売のお知らせ

O-ring kits for biofuel on sale

バイオ燃料の使用を検討されているお客様からのお問い合わせが増えてきたことから、接油部のOリングをバイオ燃料の性状に対応した材質に変更したOリングキットを販売致します。

As the number of vessels using biofuel has been increasing, we've started selling O-ring kit compatible with biofuel which swells the normal O-rings in the short term.

SJ10A 下部軸受ハウジング用座金を部品リストに追加 SJ10A Added washer for lower bearing housing to parts list

2024年9月末ごろまで部品図に座金の記載がありませんでしたが、以降の図面には座金を記載いたします。

Washers was not be listed on the parts list until around the end of September 2024, but they are shown on drawings.

1. Additional part:

Symbol 527	SJ10A		
Part	Washer	P/N	361360005

2. Reason of its on list:

調整が必要な場合に座金を入れていましたが、今後は全てのSJ10Aに挿入する仕様に変更したため。

Washers were only inserted when adjustment was necessary, but we decided to insert washer into all SJ10A.

※スプリング(538)を交換の際は座金(527)も一緒にご購入下さい。

*When exchanging symbol number 538, please also purchase 527.
